1 - Todas as vendas efectuadas pela **GlobalLock - Ferragens, Lda**, têm como base as presentes condições gerais de venda.

2 - PREÇOS - Os preços aplicados são os constantes na nossa tabela de preços. Os mesmos entendem-se para mercadorias colocadas nas nossas instalações salvo quando haja referência expressa em contrário e serão sempre os vigentes à data dos fornecimentos.

Para encomendas cujo valor seja superior a € 250,00 (líquido), o custo do transporte está incluído no preço sendo a expedição feita pelos meios julgados mais convenientes pela GlobalLock. Se o Cliente desejar qualquer meio de transporte diferente será debitado o custo integral do mesmo. Para encomendas inferiores a € 250,00 os portes serão por conta do Cliente. Para expedições para as regiões autónomas dos Açores e Madeira, colocamos por nossa conta a mercadoria nos armazéns dos transitários designados para o efeito pelo Cliente.

Os preços constantes desta tabela poderão sofrer alterações sem aviso prévio.

3 - PRAZOS - Os prazos de entrega indicada pela GlobalLock contam-se sempre a partir da data da aceitação da encomenda e têm natureza previsional. O Cliente não poderá, em caso algum, exigir qualquer indemnização por falha, na sua entrega ou incumprimento do prazo, podendo a GlobalLock proceder a entregas parciais e executar as respectivas facturações.

4 - QUANTIDADES - A GlobalLock reserva-se o direito de não executar as encomendas cujas quantidades não respeitem o mínimo indicado nesta tabela de preços, assim como o direito de ajustar as quantidades, com uma tolerância de 10% (para mais ou menos), consoante o tipo de embalagem.

a) As encomendas mínimas deverão ser de € 150,00 (líquido), abaixo deste valor será pago a pronto.
b) A encomenda inicial deverá ser de € 2.500,00 (líquido) para a concessão do desconto de revenda e com pagamento à vista, cheque visado ou transferência bancária antecipada.

5 - TRANSPORTES - O transporte de mercadorias será sempre por conta e risco do Cliente, pagando este à GlobalLock o seguro efectuado para aquele transporte, que será sempre objecto de acordo prévio entre a GlobalLock e o Cliente.

Sempre que as mercadorias cheguem ao destino com avaria, falta ou atraso, devem os destinatários, para salvaguarda de direitos sobre o transportador ou o segurador (dado que só a estes compete reclamar), exigir a devida reserva na carta de porte, no acto da recepção da mercadoria.

6 - DEVOLUÇÕES - Quaisquer devoluções só serão aceites depois de previamente acordadas pela GlobalLock.

As devoluções de mercadoria só poderão ser aceites desde que:

a) Sejam feitas dentro do prazo de 8 dias a contar da data da factura.
b) Simultaneamente seja enviada uma Nota de Devolução em papel timbrado do Cliente, devidamente assinada na qual se faça menção qual o motivo que originou a devolução.
c) Haja troca na mercadoria, por defeito de fabrico ou embalagem danificada.

As mercadorias devolvidas fora daquele prazo só serão aceites com o acordo da GlobalLock.

7 - RECLAMAÇÕES - As reclamações devem ser apresentadas à chegada das mercadorias. No caso de reclamação, o material deverá ser-nos remetido para avaliação. Quando, eventualmente, apresente defeito de fabrico, será substituído sem encargos para o cliente, não sendo considerado os materiais entretanto aplicados.

8 - PAGAMENTOS - As condições de pagamento praticadas são:

a) Pronto pagamento (contra entrega da mercadoria) - 2%
b) A 30 dias da data da factura - 1%
c) A 60 dias da data da factura - Sem desconto

Após o prazo de 60 dias, a GlobalLock reserva o direito de, se assim o entender, suspender o fornecimento.

9 - RESERVA DE PROPRIEDADE - A GlobalLock reserva o direito de propriedade da mercadoria até ao integral pagamento do preço de venda.

10 - FORO COMPETENTE - Fica desde já convencionado o Foro da Comarca de Valongo como competente, com exclusão de qualquer outro, para dirimir os litígios emergentes das transacções comerciais realizadas com base nestas condições.

Nota: Aos preços de venda serão acrescidos de IVA à taxa legal em vigor.
